

May 4, 2022

ACRP Membership and General Assembly Attendees:

It is with deep regret that the Association of Crane and Rigging Professionals (ACRP) has decided to cancel the 2022 General Assembly scheduled for next week in Denver. The number of registrations came in well below expectations and then we had some last-minute cancellations due to personal issues. We were concerned about the presenters, advertisers and sponsors arriving for a small group of participants and felt that we would lose credibility with these organizations if we continued. Each one of them have been notified and they respected and agreed with our decision. We sincerely apologize to those ACRP members who were planning to attend for this late decision, but we felt like it is the right decision.

For those that have already paid registration fees we have three options: (1) let the fee go as a donation to the ACRP, (2) request a refund, or (3) let the registration fee apply to a future General Assembly. Please let Caren ([caren@acrp.net](mailto:caren@acrp.net)) or Emily ([emily@acrp.net](mailto:emily@acrp.net)) at JAGwire know how you want to proceed.

As you know we have been selling raffle tickets to sponsor our Scholarship Program. The raffle drawing was scheduled to end and be drawn during this year's General Assembly. In years past we have always sold the bulk of the raffle tickets during our General Assembly. Since we will not have the opportunity to sell face-to-face this year, we are going to extend the drawing for 60 days to allow members, friends, and family more time to purchase tickets. The drawing will now take place Friday, July 8<sup>th</sup> at 2pm EDT/11am PDT.

We hope you will continue to support the ACRP and thank you for your understanding as we all recover from these strange times.

Sincerely,

Jeff Hairston  
President
